

PRESS RELEASE

dated 4 January 2010 Sydney, Australia

ICSGgroup is pleased to announce that Mr Karl Mikl has joined Hi-Tek Projects as Chief Operating Officer, following the acquisition of Hi-Tek Fittings Pty Limited.

Karl has experience in the operations associated with running large scale joinery factories.

Having responsibility for the timely delivery of high quality joinery projects, delivered by a diverse but capable and established team of trades & machinists, Karl's European roots allow him to provide superior and meticulous design / drafting and AutoCAD deliverables.

Karl has worked with many blue chip and iconic customers for the delivery of projects across Australia.

Steve Allison, General Manager said *"Karl has worked with me for more than 10 years in different roles. We were fortunate enough to have Karl come and work with us in our new venture and bring with him his valuable experience, to a business that already had a reputation, for fine quality joinery and carpentry, beyond reproach. His ability to automate and make refinements utilising state of the art technologies will allow him the opportunity of continuing his reputation for high end delivery, being able to delivery complex and difficult projects. Karl will be a great addition to our experienced senior management team."*
