

PRESS RELEASE

dated November, 2010 Sydney, Australia

ICSGgroup is pleased to announce Hi-Tek Projects has been successful in its tender with Macquarie University (Client), one of Australia's leading universities, in conjunction with Woods Bagot Pty Ltd (Client Representative) for the construction and fit-out of workstations and Information Blades and Desks for their newly built Library Building.

Hi-Tek Projects will work with the client and client representative for the proposed delivery currently scheduled for completion by the end of May 2011.

"Macquarie University is on track to becoming one of Australia's leading research universities. It's our goal that by 2014 – our 50th anniversary – Macquarie will be among the top eight research universities in Australia and one of the top 200 in the world."#

Mr David Goggins, Hi-Tek Projects Business Development Director, said "we are proud to be part of the Universities growth and 50th anniversary plans by association of quality built works, for the new library building."

From the Macquarie University Web Site.
