

PRESS RELEASE

dated 13 August 2010 Sydney, Australia

ICSGgroup is pleased to announce Hi-Tek Projects has been successful in its tender with GEORGINI (Client), an Australian designed and owned high quality jewellery retailer, in conjunction with David Caon Design Studio (Client Representative) for the construction and fit-out of their concept design store, Shop 1 Westfield Sydney.

Hi-Tek Projects will work with the Client and the Client Representative for the proposed delivery currently scheduled to be completed by the end of October 2010.

“GEORGINI fuses modern elegance with fashion forward design to create a range that includes something for every occasion. Choose from an eclectic mix of bold black and white designs or flaunt your femininity with classic intricate pieces. Crafted from the finest rhodium plated sterling silver, semi-precious stones and glittering Cubic Zirconias GEORGINI offers luxury for every woman. GEORGINI is not only accessible to every woman but the finishing touch to every outfit.” #

“We are happy to be involved with GEORGINI and GEORGINI’s Client Representative for the purposed delivery of their inaugural retail outlet. Hi-Tek Projects has a long association with Westfield and deliverables within the Westfield environment which will prove most useful in this project deliverable.” said Mr. David Goggins, Hi-Tek Projects Business Development Director.
