

PRESS RELEASE

dated September, 2011 Sydney, Australia

ICSG Group via its related entity interests yesterday, acquired the business and interests of **One Stop Facility Solutions** (Formerly Gold Coast Painting and Maintenance Services) [One Stop].

One Stop will become part of the interest of the Group and will expand its traditional operations outside of the Gold Coast up to Brisbane and down to the Tweed, Northern NSW.

The founding business owners, Stanley and Sheryl Baird, will stay on with the business for at least 2 years and “we will enjoy having the operations that we founded, grow under a corporate group environment”, said Stanley Baird.

“One Stop has the resources to grow both vertically and laterally by expanding its services to its present clients and to new clients, such as major insurance companies, commercial and domestic (major building) property managers, resort managers and major building owners, shopping centers, and casinos and entertainment venues alike”, said Marcell Pavlovec, Managing Principal of ICSG Group.

Under the leadership of a local who resides on the Gold Coast himself, our General Manager Steve Allison will participate and grow our interests in the Northern Region.

“It is a wonderful opportunity to expand the brand” said Steve Allison, General Manager.
