ICSGgroup is pleased to announce Hi-Tek Projects has recently completed the Refurbishment of Hayman Islands' Fontaine Restaurant, in conjunction with Lend Lease and NWCI (Aust) Pty Ltd, for the supply and Installation of Joinery, Feature Ceilings and Walls.

In keeping with the island's award-winning culinary tradition, Hayman has re-opened the recently reconcepted Fontaine restaurant. Fontaine offers a beautiful setting of indoor and outdoor dining including stunning dining platforms over the Fontaine Pond, providing a unique culinary experience. The new menu features contemporary Australian cuisine inspired by the finest locally sourced produce, presented by Hayman's Chefs.*

It was an absolute privilege to work on an iconic resort and property like Hayman Island" said Marcell Pavlovec, Managing Principal of ICSG Group Pty Limited. "In what was a very difficult project to deliver due to its remote location, the end product and quality of finishes and standards, are exemplary".
